

The Multinational Group of Femmes D'Europe
invites you with your friends and children to a family event on

**Sunday 12th of January
at 2PM**

The assistant dogs of
HACHIKO
will show you the invaluable services
they can bring to the disabled!

This demonstration will be followed by a 'Galette des Rois'
while a make-up artist will transform the smallest ones into their favorite hero.
We hope that all children will wear a king's or queen's crown. A surprise awaits!
