Come and join the EFTA/AELE Group of the Association Femmes d'Europe aisbl on
Thursday, 27 September 2018
from 11h to 16h

for an inspiring discovery-tour of one of the prettiest, yet almost unknown parcs of Brussels:

WALK IN THE PARC TOURNAY-SOLVAY
Chaussée de la Hulpe, 199 – 1170 Watermael -Boitsfort

We shall have the privilege of being **guided** by the landscaper Axel Demonty, who knows intimately all the secrets of this suburban park: it's **Ladies' Garden**, ponds, mysterious ruins of a **Neo-Renaissance castle**, it's old fashioned walled **fruit garden**...

*Nous vous invitons à un pique-nique, soigneusement préparé par nos membres, dehors ou, en cas de mauvais temps, à l'intérieur de la **Villa Blanche**, où vous vous sentirez comme les hôtes d'Ernest Solvay et sa fille il y a presque 100 ans ...*

If you wish to wonder off by yourself afterwards, visit the **annual sculpture exhibition** or even take a little walk in the joining **Forêt de Soignes** you are, of course, more than welcome.

Participation: €26 to be paid to the account of Femmes d'Europe aisbl: IBAN BE47 3100 7081 9180, mentioning « Parc Tournay-Solvay », your name and number of places required.

Parking facile, accès par bus 95, bus 17, tram 94 : arrêt Gare de Boitsfort; train Gare de Boitsfort.
