

Sweet Jazz Event – 15.2.2019

On a dark winter night in February, we drove off to The Royal Lawn Tennis Club of Brussels, where the kind hostesses of the UK and Finnish Groups welcomed us with a glass of bubbles, and a second one...

The music was performed by Buster & The Swing Band with guest star the popular singer Bruce Ellison. This group of passionate jazz lovers has developed through the years a very personal approach to the everlasting jazz, mixing the tradition of the repertoire and the new look of non-stop reinvention. Five persons playing the piano, tenor sax, trumpet, bass and drums. Hard to sit and keep quiet, but then there was dinner first.

We started the meal with some delicious salmon, followed by a 'coucou de Malines', a well prepared breed of chicken, to end with a delicate dark chocolate desert, all served by the efficient staff of the Tennis Club.

Tombola tickets were sold throughout the evening, and many were lucky with fabulous prizes.

And then we put on our dancing shoes and joined the crowd and we were swinging until the early hours of the morning.

Well done UK & Finnish Groups!
